

MAYFIELD FUND

## Yogen Dalal

Managing Director

Yogen Dalal is an entrepreneur, engineer, and Silicon Valley executive who has been at Mayfield since 1991. He invests in the internet/digital media and enterprise software areas.

Prior to joining Mayfield, Yogen was a founding member of two successful startups, Claris Corporation and Metaphor Computer Systems. Yogen was also a member of the original Star and Ethernet development teams at Xerox, and a co-author of the TCP Specification in 1974 while at Stanford University. His Ethernet industry blog can be found at [www.ethernethistory.com](http://www.ethernethistory.com).

Yogen earned a Ph.D. in Electrical Engineering and Computer Science from Stanford and a B.Tech. in Electrical Engineering from the Indian Institute of Technology, Bombay where he was honored as a Distinguished Alum.

He serves on the board of the Oregon Shakespeare Festival, a nationally acclaimed professional non-profit theater company in Ashland, Oregon, and Northern California Public Broadcasting (KQED, KTEH, KQET, KQEI). Yogen is a Charter Member of The Indus Entrepreneurs and a former board member of the Entrepreneurs Foundation and TheatreWorks.
