

Navin Chaddha

nchaddha@mayfield.com

Navin Chaddha leads Mayfield. Under his leadership, Mayfield has raised \$1.5 billion in new capital through six funds—(four US and two dedicated India funds); partnered with over 100 entrepreneurs; been involved in the successful financial outcome of 30 portfolio companies; expanded the investing team with world-class professionals; and assembled a comprehensive team of portfolio services executives.

Navin has been named a Young Global Leader by the World Economic Forum and has ranked on the Forbes Midas List of Top 100 Tech Investors eight times.

During his venture capital career, Navin has invested in over 40 companies, of which 13 have gone public and 15 have been acquired. Navin was one of the earliest Silicon Valley investors to leverage the promise of tech in India.

Investment Focus

I partner with entrepreneurs who want to change the way people work, live, and play. I invest in people first; markets second and invest broadly in the consumer and enterprise sectors across different areas.
