Aditya (Adit) partners with founders starting at inception, bringing over two decades of experience spanning company-building and early-stage investing across AI hardware and software, infrastructure, cybersecurity, and physical AI.

Adit has been involved as an investor in many companies, including four that had IPOs – Cerebras, Heliogen, Energy Vault, and ForgeRock – and four that were acquired – Seraphic (CrowdStrike), Phantom Cyber (Splunk), Skycure (Symantec), and Respond (FireEye).

Earlier in his career, Adit served as the first Product Manager at Enphase Energy through its IPO, founded a startup, and held engineering and product leadership roles at Cisco and Growth Networks.

Adit earned his B.S. and M.S. in Electrical and Computer Engineering from the University of Illinois Urbana-Champaign and his MBA from the University of Chicago Booth School of Business.
